

## Long Term Funds

### Organ Fund

An fund has been established to assist with expenses related to the repair and upgrades to our pipe organ.

### Landscape Fund

Our church has been blessed with over eight acres of land. The landscape fund will provide much needed funding for the upkeep and improvement of our grounds, flowerbeds, and walkways.

### Sign Fund

Trinity's current sign located on front lawn facing Flint Street is over 20 years old and will eventually need replacing. A fund has been established to help us prepare for this significant expense and upgrade.

### Parking Lot Fund

In the not-to-distant future will have have to mill and resurface our aging parking lot and driveways. When we undertake this project, we would like to upgrade our existing parking lot lights with efficient and attractive lamp posts. The new posts to be placed in the parking lots and along the East Driveway will also enhance our grounds by providing a place to hang festive banners to promote church events and seasons.

## Memorial Committee

The ministry needs of Trinity Lutheran Church are assessed on a regular basis by members of the Memorial Committee. The Memorial Committee meets every month to evaluate and carry out this ministry.

For more information about the work of the Memorial Committee or the ministry needs expressed in this brochure, please contact one of the committee members or visit the Memorial Committee pages on Trinity's website: [www.TrinityDavison.org](http://www.TrinityDavison.org).

# Ministry Needs

*A Guide for memorials and other gifts to benefit the expanding ministries of Trinity Lutheran Church*

*Trinity Lutheran Church is committed to glorifying the Triune God and expanding His Kingdom by growing in God's Word and Sacraments, Serving God and one another, and Sharing with all people the Good News of Jesus Christ.*

Trinity Lutheran Church of Davison is a growing church. Every day the staff, leaders, and members of this church strive to glorify God through faithfully using the gifts entrusted to them with excellence. We are thankful that God is blessing us and using us to grow His kingdom by telling others about Him as well as teaching and equipping His people of all ages to serve Him in their daily lives.

As a church grows the tools it needs for doing God's work changes. We are experiencing these "growing pains" at Trinity. In this brochure you will find some of the current needs in this changing and growing church. Please feel free to call the church office if you have any questions about the tools that we are requesting.

Thank you for considering the ministries of Trinity Lutheran Church for a special gift. We are honored that you trust and value our ministry. We pledge that will respect your generosity as we strive to honor God with excellence and faithfulness.

In His service,

*Pastor Todd Frusti*

#### **Wireless Microphones**

\$400 ea.

Our growing worship ministry has need of six wireless microphones which will be used for worship services, concerts, practices, and other events.

#### **Electronic Drum Set**

\$1,000

An set of electronic drums is needed to replace the small and limited set that is currently used in our praise services. Electronic drums are preferred as they are better suited for the acoustics of our sanctuary as well as their space-saving design.

#### **Retractable Screen**

\$200

Bible studies, meetings, training, and outreach events held in the Trinity Room often include a video presentation for better communication. A wall mounted, retractable screen is needed to improve these presentations.

#### **Voicemail System**

\$500

Our office phones currently lack a modern voice messaging system. A voicemail system will add efficiency to our office as well as modern features to help improve communication.

#### **Projector & Ceiling Mount for Trinity Room**

\$800

Several times each week, a portable projector is set up and taken down for classes held in the Trinity Room. A permanently mounted projector will improve these presentations by allowing a better room set up, larger screen size,

#### **Portable Projector**

\$500

Projectors that can be connected to a laptop computer are an essential tool for communicating in today's world. We see an immediate need for the use of this tool at meetings and classroom presentations.

#### **Portable Dry-Erase Board with Flipchart**

\$300

A portable dry-erase board will offer our teachers and others a flexible writing surface that can be easily be wheeled into any meeting or class location within our facility.

#### **Trinity Room Sound Improvements**

\$400

A sound system including a microphone and ceiling mounted speakers will enhance presentations, dinners, and other events held in the Trinity Room by enabling more guests to hear and more technologies to be used in the presentations.

*"We are a Caring Christian Church Family **Committed** to **Serve** the Triune God, to **Grow** in His Word, and to lovingly **Share** with all people the Good News of Jesus Christ."*
